

Mountain Post Medical Simulation Training Center (MSTC) Fort Carson, Colorado FY 2018 Training Schedule

Direct coordination with the MSTC is required for all applications and registrations for all courses. The MSTC is the final approval authority for all applications. Completed registration forms and copies of certifications must be submitted prior to placement in a course.

Course Descriptions

TC8-800 encompasses the annually required Medic Tables I-VII and Skills Validation in Table VIII. Course is only available to Soldiers in MOS 68W. A certificate for 48 CE's and a 7442 Tracking Sheet will be given to all Soldiers who complete the training. Class size is limited to 24 Soldiers. All Soldiers are required to provide proof of BLS certification and current NREMT at the time of registration.

Medic Sustainment 24hr (MEDIC SUST 24) is a three day advanced skills familiarization course designed for 68W's that have completed TC 8-800 requirements and require 24 additional CE's. The course consists of advanced trauma management skills. All Soldiers completing training will receive a training certificate for 24 CE's.

International Trauma Life Support (ITLS) is offered to 68W's and Soldiers with NREMT or professional health care certification/ licensure. Length is 3 days for adult and 1 day for pediatric. Class size is limited to 24 Soldiers. It is required that all Soldiers attend and complete the TC8-800 course prior to registering for ITLS. Soldiers successfully completing all training will be awarded up to 24 CE's and certification cards.

Basic Life Support (BLS) is offered to all certified Health Care Providers. All BLS courses are initial certification courses and are completed in 4-6 hours. Class size is limited to 24 Soldiers.

Paramedic Sustainment Program: This program consists of certification courses to assist Paramedics with sustainment of relevant paramedic continuing education. Priority for these classes are Flight Medics assigned to an Air Ambulance Unit. Other 68W Medics may be considered for training if space is available. Class size will be limited to 12 seats. Courses offered for this program are:

Advanced Cardiac Life Support (ACLS) per AHA Standards, Two Days, 16 CE's

Pediatric Advanced Life Support (PALS) per AHA Standards, Two Days, 16 CE's

Paramedic Refresher (NRP-R) eight day, 56 CE's, includes Table VIII skills validation

Combat Lifesaver Training (CLS) is available for units without assigned Medics. Units without their own medics should request CLS courses to be MSTC Instructor Led. Units with medics may request to use the MSTC STX Lane to conduct their CLS Validation on the last day of their course. Class size is limited to 24 Soldiers.
